Term 4 Week 5 2019

Welcome to Week 5. This week we especially keep those affected by bushfires in our prayers:

God Almighty giver and sustainer of life,
For those whose homes are threatened by fire,
we ask your mercy.
For those whose lives are threatened by flames,
We pray your protection.
For those who have lost all their possessions,
We pray your comfort.
For those whose health is impaired by smoke,
We pray your healing.
Be with those who respond,
Keep safe firefighters, police and volunteers.
Make their efforts effective.
God in your mercy,
Hear our prayers.
Amen.

Last night I had the pleasure of attending 'Create 2019' which was an event celebrating the major works of our art, woodwork and metalwork students in Years 9 and 10. It was an absolute delight, not just to view the many quality and creative works, but to see the enthusiasm and pride which the students displayed in their work. I have loved watching the students throughout the last two terms as their work came to completion. A huge thank you to Mrs Eberle and Mr Turner for your hard work and the way you have inspired your students!

On Tuesday we had our final Community Council Open Forum for 2019. Topics for discussion were:

- The Community Council will support the cost of presentation next year by the *Choicez* group to our Secondary students and a parent presentation to all our parents. This husband/wife team is supported by Catholic Education and will educate and challenge students on healthy relationships, living in an online world and poor choices. The parent presentation is titled 'Raising Children in a Hyper-Sexualised Society' and is suitable for all parents of Primary and Secondary students.
- Supporting the parish to apply for a grant to improve St Joseph's Hall
- El Warren gave a report on the Garden Viewing. The Garden Viewing made a very healthy profit of over \$8000
- Dates for the Long Lunch in 2020.
- A short presentation and discussion on Parent Engagement. You might like to visit the website <https://www.parentengagementcspa.edu.au/> for more resources on this very important topic also check out our Facebook page for a short video on this.

I know there are many very excited K-2 students eagerly anticipating their excursion to Wagga tomorrow. I can't wait to see photos of their ten-pin bowling skills!

St Anne's had three teams that participated in the annual Dizey Cup netball competition last Friday. In hot conditions the girls played Temora Public and Temora West in a round robin competition, with St Anne's winning the trophy at the end of the day. Thanks to El Warren for organising the day and thanks to supercoach Kellye-Anne Coleman for coaching the girls — a great time was had by all!

Congratulations Evie

Last Wednesday Evie West Travelled to Sydney to represent the MacKillop Athletics squad in shot put. Evie placed 22nd out of 40 athletes, throwing a metre less than her PB that she threw at the Canberra-Goulburn selection trials. It was a fantastic experience and she should be very proud of her efforts.
