

ST ANNE'S SENTINEL

WATCHING OVER OUR COMMUNITY

St Anne's Central School Newsletter

Term 4 Week 9 2019

Welcome to our last newsletter for 2019.

This week our current Yr 10 students have been learning more about the sights of Sydney. If you have been following them on Facebook you will know they have been enjoying experiences such as the Jewish Holocaust Museum, the Quarantine Station, cycling around the harbour and appearing briefly on Sunrise.

As Kathy has been on the Yr 10 excursion, I have stepped into bring you this last newsletter. I would like to take this opportunity to extend our best wishes to Kathy as she moves closer to home with a job in Young.

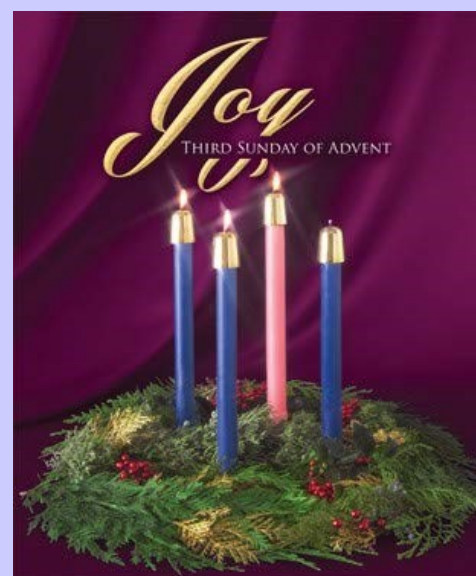

During her time at St Anne's Kathy has worked tirelessly to ensure St Anne's is a place of both learning and fun. She brought with her an outstanding dedication to all curriculum areas, with an obvious passion for Maths. Her understanding of what was needed to continue improving the teaching and learning at St Anne's has been amazing and this expertise will be missed.

In a practical sense Kathy's dedication to St Anne's has been unbelievable. I have known Kathy to drive to a meeting in Canberra, finish the meeting there and then drive 2.5hrs to Temora to attend a Community Council meeting here and then drive 1hr home. Her love of teaching and all things school related has made her an excellent leader. We wish her all the best in Young.

Thanks and God Bless

Geraldine Holland

*Let us not grow weary of doing what is right,
for we will reap at harvest time, if we don't give up*

Primary News

Primary News

Primary Sport Nominations

Canberra-Goulburn trials for tennis and basketball are now open and close on the 4th Feb 2020.

To nominate for basketball, students must complete expression of interest on the site: www.sport.cg.catholic.edu.au. To nominate for tennis please download and complete an expression of interest form from the Canberra-Goulburn website and give to Mr Hughes.

RE News

Identity Statement

We began this year with a wonderful sense of community and a sense of hope, guided by our new Identity statement: ***'Let us not grow weary in doing what is right, for we will reap at harvest time, if we do not give up'. Galatians 6:9***

It is not always possible to prevent stressful and adverse situations, but it is possible to strengthen ones own capacity to deal with these challenges, to keep trying and not to give up and to strengthen one's ability to grow in their resilience. **This year has been an extremely rewarding one as we reflect on the** partnerships between the staff, students, families and wider Temora community in the support of one another and in particular of the students. Together we have achieved wonderful things and continue to grow as a loving faith-filled community that we can be very proud of.

Advent

We light candles in Advent to remember that Christ can bring light, guidance and warmth to the darkness in our lives and in the world. We also remember that Christ's light can burn away what holds us back from our full potential. Take time in Advent to feel God's compassion in the sacrament of Penance and Reconciliation. Find time to think about things you'd like to change .

Christmas Eve Mass

A note has gone home regarding this year's Christmas Eve Mass in the Park. The children are welcome to be a part of the celebration and you are asked to please return the permission slip at the bottom of the note or to contact either Mrs Collins or Miss Sleigh via email (her details are at the bottom of the note), to indicate your child's interest in and intention to participate this year. Please be sure to include a phone number or email address for contact to be made about practice. We are particularly looking to have some more older students also involved this year, particularly for the reading. Details about practice will be sent to you once notes have been received. Please return them as soon as possible.
